

"WHAT HAS THE FRIENDSHIP OR ASSOCIATION WITH ATHREYAJI MEANT TO ME"

It was in the year 1958 that I first met Athreyaji by God's Grace. He came to Ahmedabad to attend the National Convention of Junior Chamber and happened to be my house guest. As luck would have it, I drew him as my guest. This opportunity was just God Sent.

It was then that I came to know that he trains people in Bombay in the art of Public Speaking. Having bungled at it in my past experience, I was really hopeless at it, and so I earnestly requested him if he could conduct a Program for us in Ahmedabad. He readily agreed if I could get a group of 20-25. I got a group very quickly and soon he came from Bombay and trained us. That training changed my life. He made a new man out of me. This helped me in my Business and also social life. It gave me the courage to go to U.S.A, meet people and manage myself. I could establish myself in trying circumstances and erect a new life. All this was possible only because of the Blessings I received from my Guru Shri Athreyaji.

I only hope his Blessings continue forever. And on this occasion when he is celebrating a milestone Birthday "I sincerely pray to the Almighty to grant him & his family Health - Wealth & Happiness in PLENTY."

I also sincerely wish (as said in shloka/Hindi): -

"Toom Jiyo HAZARO SAL AUR SAL KE DIN HO PACHAS HAZAR".
 "Wishing you All the Best and May All your wishes be fulfilled"
